Drive-In Movie Night Guidelines and Expectations

- The drive-in movie will be shown on multiple large screens in the parking lot and will rely on audio being transmitted through your FM feature in your vehicle. **The station is FM 87.9**
- **A reservation will be required for attendance purposes. We want to ensure we have enough parking spots available. You may register beginning April 1 at the following link: bit.ly/movienight416**
- We will be starting the movie at 8 pm. In order for us to be on time, please arrive early to allow for parking and getting settled. We will have volunteers helping with traffic control. You may arrive as early as 7:30 pm. We will use alternating parking spots to provide separation and assure adequate line of sight.
- If the weather is nice, families may bring lawn chairs/folding chairs to sit outside your vehicle.
- You may sit outside of your vehicle, mask free, as long as you are 6 feet from other parties and not interacting with other families. If there is an interaction with someone who is not in your party, we ask that you practice social distancing and wear a mask. Masks must be worn when walking away from your parking space to use the bathroom, throw away trash, etc.
- The playground will not be available at any time.
- Restrooms will be available for emergency use only and will be limited to one family unit at a time. Volunteers will be able to direct you to the appropriate restroom entrance.
- We will be providing a drive in snack pack for each person. This will include an individual popcorn bag, a candy, a small water bottle, and a wet wipe. You may pick up your snack packs at one of the two designated tables. One will be stationed by the CrossWays Preschool entrance, the other will be located at the Celebration! Childcare entrance.
